

Vial of Life

The **Vial of Life** puts important instructions about your conditions in the hands of Emergency Responders and Physicians when it is needed the most—during the first minutes of critical illness or accident in your home.

Instructions

- ◆ Complete the medical record form with the assistance of your doctor or a family member. **Please print and use pencil and update often** OR You can go to website: www.sac-panhandle.com and use the fillable form (in .pdf), or print a new blank form.
- ◆ Roll up the completed form and place into the **Vial of Life** container and put the cap on the Vial and place it in the refrigerator or your vehicles glove box. Please update anytime there are changes in your prescriptions. For additional forms, please contact the number below or the website.
- ◆ Place the **Vial of Life** magnet on the outside of your refrigerator or freezer door. Emergency Medical Personnel in the community have been notified to look for your special **Vial of Life** magnet.
- ◆ Place **Vial of Life** sticker on your entry door for keeping in your refrigerator or your vehicles front windshield above the registration sticker, if you keep a vial in your vehicle.
- ◆ **It's important to keep your information up to date and accurate.**
