ASSISTED LIVING & MEMORY CARE

# 2023 Bowl-A-Thon

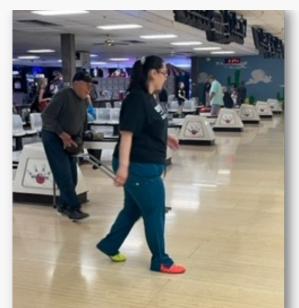

The annual Bowl-A-Thon raises funds for the transportation program. The transportation program is then able to provide rides for seniors to and from their doctor appointments, grocery store, medication pick ups, etc.

The participation in this event has continued to provide seniors with access to reliable transportation for many years.

Great Job to this committee for continuing to put a great event together for an even better cause.

Until next year!
