### Community Resource Coordination Group for Adults (CRCGA)

Susan Hammett, Chairperson (806) 341-1666 [susanhammett08@gmail.com](mailto:susanhammett08@gmail.com)

- This is a local interagency group composed of public and private agencies that develop service plans with adults whose needs can be met only through interagency coordination and cooperation. CRCGAs makes it more likely for adults with complex needs to get help they need within their communities before the situation becomes unsolvable. CRCGAs can also recognize the gaps in service that exist in their area and can plan for appropriate programs to meet those needs. This group meets on an as needed basis, whenever referrals are received.
